SPC bath and massage oil collection

£28

Looking for a gift for the spa lover in your life? Head straight for SPC's luxurious range of skincare, which was inspired by the sumptuous line-up of treatments at the Stoke Park Club spa.

Designed to help create a spa-worthy pampering experience in the comfort of your own home, the collection is 100%

natural, and is packed full of powerful antioxidants. The bath and massage oil collection is a fast route to instant relaxation. Add a few drops to your bath and the lavish aroma will fill your senses and ease away the day's anxieties.
