## ◀ ALMOND EYES

If you prefer using a balm rather than cream or gel around tired eyes, try **SPC** Sweet Almond eye balm, **€48**, which works to fight the signs of ageing by plumping and filling fine lines around the delicate eye area. Jojoba oil and almond oils come at the top of the list of ingredients. Available from Arnotts or online at [www.spc.co.uk](http://www.spc.co.uk)
