

SPC Vitamin E Line Serum

Applied morning and evening under your moisturiser, the delicious Vitamin E Line Serum is light and absorbs easily to help plump fine lines and wrinkles around the eyes, lips and forehead.

Containing key ingredients such as Collagen, Hyaluronic Acid, Co-Enzyme Q10, Ginkgo Biloba and Vitamins C, B3 and B6 which all work together to put moisture back in to the skin, smooth and minimise fine lines and prevent the signs of ageing.

Used in conjunction with the following luxurious treatments on offer at SPC:

- SPC Classic Definition Anti-ageing
- SPC Decadent Rose Facial

Ingredients

- Vitamin E – Antioxidant
- Grapeseed Oil – Nourishing and high in antioxidants
